## MPS Vacancy:

Multi Pilot Simulations BV (MPS) designs and develops flight simulators and training equipment for professional organizations that train pilots. MPS sells, produces, installs, and maintains its simulators around the world. We are a customer-oriented, innovative, and high-quality organization with 50 colleagues at home and abroad.

### **Technician Refurbishment (40 hours per week – Full Time)**

Are you a skilled technician passionate about flight simulation and aviation technology, dedicated to precision and ready to take on a crucial role in our innovative manufacturing process? Then we are looking for you!

#### **What will you do:**

As the Technician Refurbishment at MPS in Groenekan, you play a pivotal role in enhancing the performance and quality of flight training devices. Your tasks include refurbishing various components like instrument panels, throttles, pedals, and seats, ensuring they meet the highest standards. Assembling and installing these refurbished components into the flight training device, the technician contributes to the overall functionality of the simulator. Service and modification of existing components and panels also form a key part of the technician's duties, aiming to optimize and extend the life cycle of the equipment. Beyond manufacturing, you will extend your support by utilizing your expertise to analyze and resolve issues raised by customers and quality assurance.

#### **What do we ask:**

As Technician Refurbishment, your commitment to integrated quality and safety guidelines is crucial, as you actively identify opportunities for improvement in efficiency, safety, and overall quality. You possess excellent social skills and a proactive attitude. With an MBO/VMBO-level education, you are skilled in the execution of manufacturing tasks. Additionally, you are proficient in Dutch language, you aim for excellence, and you are a true team player with a positive, pragmatic and problem-solving attitude.

#### **What MPS offers you:**

- Good employment conditions in an internationally operating company;
- An informal working atmosphere;

- A growing team with driven colleagues;
- Various attractive secondary employment conditions, such as significant travel allowance, pension contribution and leave options

**Are you ready to join a dynamic team at the forefront of flight simulation technology as our Technician Refurbishment? Apply now and help our team grow!**
